On March 18, 1964, [redacted], New Jersey, telephonically contacted the Newark Office of the Federal Bureau of Investigation to advise that people were being asked to call telephone number CR 3-0369 and listen to a recording. [redacted] stated that this recording pertains to the investigation of the assassination of President John F. Kennedy. She also stated that she had ascertained that the record is being paid for by [redacted]  
[redacted] Summit, New Jersey.

The 1963 Summit city directory reflects that [redacted]  
[redacted] has offices at [redacted] and resides at [redacted]  
Summit.

On March 6, 1964, [redacted], [redacted], New Jersey, advised that recently when he received mail from [redacted] some of the envelopes contained various printed comments, one of which was a stamped notation "Let Freedom Ring! Each week call CR 3-0369, Code 201."

Following is a transcription of the recording obtained by dialing CR 3-0369:

"Let freedom ring. We are told that Lee Oswald and Jack Ruby acted independently. They were just poor victims of an atmosphere of hate and in need of a mental health clinic. But before the Warren Commission completely obscures the facts, let's look at some interesting points:

"Fidel Castro threatened to break off relations with Mexico if Mexican authorities attempted to investigate Oswald's activities in their country.

"Jack Ruby, who was supposed to have acted through blind emotion, is reported to have been in Havana, Cuba, last year.

"Lee Oswald's apartment was close to Ruby's, and Oswald was headed in the direction of Ruby's apartment when he encountered Officer Tippit.

"Also of interest is the fact that Congressman Hal Boggs, an extreme left winger who is on the Warren Investigating Committee, has an interesting communist front record. Just minutes after the assassination, Boggs, Walter Reuther, and a red-wing black bird, Earl Warren, miraculously appeared on radio and TV and denounced the John Birch Society and other anticommunist groups, even though Oswald proudly announced that he was a communist.

"The American people will probably never know how much they owe to the Federal Bureau of Investigation. There are rumors afoot that the Warren Commission, which is a brazen usurpation of the investigative power of Congress, will attempt to turn the investigation into a smear of the Federal Bureau of Investigation and its director, J. Edgar Hoover.

"If you have not received the Let Freedom Ring assassination series - one of the first unhypercritical reports of the tragedy and the eye opening highly documented BPK research report, send one dollar to The Eye Opener, Box 645, Sarasota, Florida."

SARASOTA, FLORIDA

RECORDED TELEPHONE MESSAGE, MAY 24, 1964,  
BOULDER, COLORADO

Reference is made to memorandum submitted by the Newark, New Jersey Office, Federal Bureau of Investigation, under date of March 20, 1964, captioned "THE EYE OPENER, Box 645, Sarasota, Florida"; also memorandum submitted by the Denver, Colorado Office, Federal Bureau of Investigation, under date of June 2, 1964, captioned as above.

Many complaints have been made to the Federal Bureau of Investigation in the Sarasota, Florida area since October, 1962 concerning statements made in recorded messages which may be heard by the general public by dialing a publicized telephone number at Sarasota. The message, text of which is changed from time to time, begins and ends with the statement, "Let freedom ring". Persons who have heard the messages, which are said to be from two to three minutes in length, have advised that, or complained because, the speaker has from time to time criticized the United States Government, government leaders, the Supreme Court, the administration's foreign policy, the United Nations, has asked the American people to demand impeachment of the late President John F. Kennedy and has implied that President Kennedy was guilty of treason.

A Washington, D.C. resident, during October 1962, reported receipt of a post card, postmarked October 16, 1962 at Berkeley, California, with return address "Freedom Front Publishers, P. O. Box 645, 6916 Point of Rocks Road.

A source, who has furnished reliable information in the past, advised during November, 1962 that investigation made to determine the origin of the first known recorded message (October, 1962) at Sarasota revealed that the telephone whose number is dialed to obtain said message is located at [redacted]

A second source, who has furnished reliable information in the past, has advised that [redacted]

It has been determined that [redacted]

An article in the "Sarasota Herald-Tribune", November 16, 1962 issue, carried an article setting forth the answers to particular questions submitted to Dr. William C. Douglass, same concerning the "Let Freedom Ring" telephone messages in the area. Dr. Douglass refused to be interviewed, according to the article, but finally agreed to answer questions submitted to him in writing. Questions and answers printed in the article are as follows:

1. Since this is a program to promote Americanism, there seems to be no reason for secrecy. Why has no sponsoring person or group been announced?

Answer: Why should there be? The sponsors seek no personal publicity.

2. Is this program financed or connected with any local or national organization such as Project Alert? Specifically is it connected with the John Birch Society?

"LET FREEDOM RING"

Answer: No.

3. Is it your voice which is being broadcast?

Answer: Various voices are used.

4. What other individuals, locally or nationally, are sponsors?

Answer: Same as No. 1.

5. Is this simply a public-spirited gesture on your part?

Answer: A public-spirited gesture of local patriots.

The above mentioned article advised that Douglass had then only recently moved to Sarasota, also that a biography in the November issue of the Sarasota Medical Society Bulletin indicated that Douglass came to Sarasota from the Naval Air Station, Sanford, Florida.

The article revealed that Douglass had received his BA Degree from the University of Rochester in 1949, his MD from the University of Miami School of Medicine in 1957, and that he had served a rotating internship at St. Albans Naval Hospital, Long Island, New York, 1957-58. He also studied for six months in 1959 at the School of Aviation Medicine.

The article further indicated Dr. Douglass was in the Navy from 1944 to 1956 and from 1957 to 1962, serving at the Naval Air Station at Sanford, Florida, Jacksonville, Long Island, Pensacola, Guam, Point Mugu, California and then back to Sanford. He was an obstetrician at Guam Memorial Hospital from 1959 to 1961 and was in private practice at Ojai, California for 10 months in 1961.

His hobbies were listed as politics, government affairs, hunting, music and golf, according to the article, and he holds membership in the AKK Medical Fraternity and

"LET FREEDOM RING"

the American Association of Physicians and Surgeons. The article said he lives with his wife, Theo, and two children, Tracy and Campbell, at 6916 Point o' Rocks Road.

On December 9, 1963, Dr. Douglass reported to the Federal Bureau of Investigation at Sarasota concerning several instances of harassment suffered by him and his family, which harassment he attributed to his sponsorship of the "Let Freedom Ring" telephone messages at Sarasota. One individual allegedly threatened to run Douglass "out of Sarasota and out of the country", which threat Douglass thought to be prompted by his, Douglass', membership in the American Civil Liberties Union. A

✓ Information has been received that Douglass has spoken before the Manatee County (Florida) Chapter of the White Citizens Council and has attended meetings of the Florida Coalition of Patriotic Societies (a pro-segregation organization). A speech described in the March 6, 1964 issue of the "Sarasota Herald-Tribune", same made before a Civic Club, was indicated to be anti-communist and pro-segregation. Douglass charged said newspaper with carrying stories regarding the murder of Medgar Evers but with failure to mention three incidents involving Negro attacks on white people.

A third source, who has furnished reliable information in the past, advised on March 18, 1964 that

On May 28, 1964, [redacted], Sarasota County Sheriff's Office, furnished the text of a message she had copied through dialing the "Let Freedom Ring" telephone number at Sarasota. On 5/29/64, at 11:28 p.m., IC [REDACTED] received a telephone call from an anonymous female who furnished the above captioned telephone number and suggested that the FBI listen to the recording which is played when the number is dialed.

IC [REDACTED] dialed the number and heard a recording of a male voice criticizing Attorney General ROBERT KENNEDY, Secretary of Defense MC NAMARA, the United States Foreign Policy and alleged that United States Negroes were secretly building an Army within the United States. At the end of the recording the listener was asked to send a \$1.00 to Civil Rights Pack, P.O. Box 743, Summit, New Jersey. # Rights Bill Attacked on Tape

## Call to Summit Number Brings Message Rapping It

By DOUGLAS ELDRIDGE

A recorded denunciation of the federal civil rights bill can be heard by dialing a telephone in Summit.

The two-minute message, which is broadcast to anyone who dials CR 3-0369, gives no specific indication of who sponsors it. However, it opens and closes with the words "Let freedom ring" — hallmark of an ultra-right group with headquarters in Sarasota, Fla. — and it includes a plug for "The Patriot, Box 743, Summit, N.J."

The phone was taken out in the name of Mrs. Heather H. Ruhl, wife of Dr. Forster G. Ruhl of 57 Drum Hill Drive, Summit, an obstetrician and gynecologist who has been active in conservative causes.

Mrs. Ruhl said she had no knowledge of the phone, nor any connection with it. Dr. Ruhl said the "unlisted" phone had been taken out by the "Let Freedom Ring Committee," and it was an error to link his wife to it. Dr. Ruhl said he was a member of the committee, but he would an-

swer no other questions unless they were submitted in writing.

**DR. RUHL IS CHAIRMAN** of the American Opinion Library, which distributes John Birch Society literature, operates a red, white and blue bookmobile on communism, and sponsors meetings in the Summit area. Leaflets from the organization were thrown at Chief Justice Earl Warren by pickets during a demonstration last Oct. 29 in New York.

A spokesman for the New Jersey Bell Telephone Co. said the recording machines and special telephone lines are provided by the company for a \$40 installation fee and a \$40 monthly service charge. The devices have been used by advertisers, churches, politicians

and various organizations, he said.

The Summit message says that the civil rights bill will "turn America into a fascist state practically overnight . . . eliminate the two-party system of government and destroy all private property rights . . . put the control of education in the hands of Washington bureaucrats."

**THE SPEAKER**, apparently a young man, also says that if the bill is enacted, no institution in the country "would be free from the evil smell of Bobby Kennedy's marshals and spies?"

The message also says that the rights bill will produce racial strife and anarchy, and benefit only the Communists — "who are waiting on the sidelines ready to plunge the knife of revolution deep into America's dying heart" — and will turn Negro and white Americans into "integrated slaves."

Listeners are urged to send \$1 to the Summit postal box for a copy of "The Mississippi

Invasion . . . a fantastic but well-documented book."

THE MESSAGE phone, installed Feb. 26, was announced in unsigned postcards to Summit area residents, and many others learned of it by word of mouth. One young Negro leader in Newark said he had told many of his friends about the phone, and added: "I think more liberals are calling it now than conservatives." The line was busy most of the time yesterday and this morning.

The head of the Let Freedom Ring Committee, Dr. William Douglas of Sarasota, Fla., said the practice of setting up telephone "stations" to broadcast the committee's opinions began 18 months ago, and has "spread like wildfire" through New Jersey, New York, Florida and California.

However, the phone spokesman said he knew of no other installations in the N.J. Bell territory.

Dr. Douglas said that he controls the "stations," and sends out written messages for their use every week. The Florida physician said "we're trying to do our little bit to awaken the people" about matters that are neglected by the mass media.

\* \* \*

SOME NEW JERSEY Negro leaders, enraged by the message, have discussed the possibility of trying to "jam" the line. To do that, however, would take a lot of dialing, since the recording device automatically disconnects the caller after each playing of the record.

"As a public utility," the Bell spokesman said, the company "makes its services available to all. We exercise no editorial censorship, except of course in areas of illegality."

A company spokesman noted, however, that such a service

could be discontinued if it caused congestion on telephone lines and disrupted service to other customers.

Dr. Ruhl, who is 38, practices medicine at 151 Summit Ave., Summit. He is a graduate of Johns Hopkins University.

POST OFFICE BOX 743  
SUMMIT, NEW JERSEY  
(SECURITY MATTER)

Re Newark letter to Bureau dated 3/20/64 captioned  
"THE EYE OPENER; INFORMATION CONCERNING; INTERNAL SECURITY".

As set out in referenced letter, a number of individuals have contacted the Newark Office to advise that a tape recorded message, which is changed each week, may be obtained by dialing telephone number CR 3-0369. During the week beginning Thursday, 3/26/64, the message which was obtained by dialing the above-mentioned number began with the words "Let freedom ring" and the speaker stated that this was an "open letter to Mr. J. EDGAR HOOVER". The message reflected that there has been an attack on anti-communist organizations, such as the one sponsoring this message, in an attempt to declare them subversive. According to the speaker, the press has aided this attack by alluding to FBI surveillances and investigations when it is a known fact that the FBI does not make its investigations public.

The message further stated that the left-wing press is saying that American patriots are plotting the assassination of EARL WARREN, who is allegedly pro-communist. The speaker states that some false patriot may assassinate WARREN and blame it on the "Patriots". The "Patriots" do not want to assassinate him but want him impeached. The message states that they salute Mr. HOOVER and hope that the FBI can keep EARL WARREN alive.

The tape concludes by stating that an Impeachment Packet may be obtained by sending a \$1 donation to "The Patriot", Post Office Box 743, Summit, N.J.

The above is being furnished for the information of the Bureau. Inasmuch as there appears to be no violation of any laws over which the Bureau has jurisdiction, no further action is contemplated at this time by the Newark Office, UACB.

He explained that he is including "living propaganda" in one of the Social Studies courses he is teaching and in this connection has taped the taped message one hears upon dialing [redacted]. The phone at this number is answered with "Let Freedom Ring." The current tape carries a libelous tirade against former President EISENHOWER.

[redacted] consider the above tirade unpatriotic, to say the least. His main concern, however, was with reference to the legality of both the above taped message and his tape recording of that message.

He was advised that the FBI is in no position to furnish legal advice. It was suggested that he may wish to speak to an official of the telephone company in this regard.

## Phone Tapes Score Javits

### Recorded Messages in Three States Attack Voting Record

NEW YORK (UPI) — Telephone companies were listening carefully today to a recorded telephone smear campaign against Sen. Jacob K. Javits, but seemed temporarily stumped to find a legal method to stop it.

Persons dialing certain numbers in New York, Philadelphia and Kearny, N.J., are told by a voice identifying itself as "Let Freedom Ring" that Javits has "a 100 per cent pro-Communist voting record."

A phone company spokesman in New York said the message had been monitored and found "pretty rough" but "we could not deny this man the use of our equipment."

The recorded message, which

alleges that the senator "has had many associations with notorious Communists and Communist sympathizers," attacks him because of his refusal to support Sen. Barry Goldwater for president.

The number is listed as being sponsored by Mrs. Frank G. Tobin who lives in Staten Island.
